

2021 Midwest Male Naturist Gathering

Wednesday, August 11th – Sunday, August 15th, 2021
Pre-Gathering is 12:00 Noon on Sunday, August 8th – Tuesday, August 10th

Important information specific to MMNG 2021

Although the Planning Committee is committed to provide an event that includes as many familiar activities that attendees have experienced in past years, 2021 poses some unique challenges. Consequently, *some MMNG activities and traditions described below may need to be modified or eliminated this year.* As is the case every year, MMNG relies upon volunteer efforts in all aspects of MMNG operations. This year, in particular, the energy and creativity of volunteers will be critical in terms of our ability to provide as close of an approximation as we can of the traditional MMNG that we all know and love.

For 2021 *meal service will be limited to one catered evening meal on Wednesday through Saturday.* Breakfast and lunch meals will be the responsibility of attendees to arrange on their own or in collaboration with other attendees. Attendees will have access to refrigerators in the Dining Hall for personal food storage only. The kitchen area is closed to all meal preparation. See the Food and Drink section on page 3 for more information.

COVID-19 Vaccination Statement

The Planning Committee encourages all attendees to be fully vaccinated prior to arrival at MMNG. This means that the two-week period after the vaccine is administered should have concluded prior to August 8, 2021.

Attendees who have not completed vaccination are encouraged to wear facemasks that cover their nose and mouth and maintain 6 ft. social distancing at camp as appropriate.

Registration Deadline is July 15, 2021

Join nearly 200 naked men this June for the 2020 Midwest Male Naturist Gathering (MMNG) at Camp Gaea (pronounced guy-ah), located about 45 minutes west of Kansas City and less than an hour from Kansas City International Airport (MCI). Camp Gaea has 170 very private acres of hilly woodland and grassland to explore, as well as a 17-acre lake with a swimming area, dock and boats available for use. Facilities include a large open pavilion, main hall, dining hall, restroom / shower building, nine sleeping cabins with electricity (but no running water), numerous camping areas and an expanded graveled lot with RV access.

During MMNG, seminars and workshops on a variety of topics are offered, cocktail socials and dances are held, and generous meals keep everyone full. At other times you can play volleyball, soak up the sun, swim, boat or fish on the lake. If you prefer, you can just sit in the shade and enjoy the wildlife around you. The only “purpose” of MMNG is to share some fun time with a great bunch of naked guys.

Each year MMNG has a theme and this year's is **Pirates...Arrgghh! Thar Be Pirates Here!** We invite attendees to include the theme in their campsite, RV or cabin décor and when designing costumes for the Costume Party. Just plan for a *fantastic* good time. The theme will be included in games and events, and it might even appear in the menu.

MMNG 2020 officially runs from 9 AM Wednesday, August 11th through 12 Noon on Sunday, August 15st. For an additional fee you are welcome to arrive as early as 12 Noon on Sunday, August 8th, in order to extend the experience to a full week. However, we will not have exclusive use of the Camp until 8:00 AM on Monday, August 9th. Except for an optional KC BBQ supper on Monday, there are no formal activities scheduled and *no meals are provided* during the Pre-Gathering. Well over 100 men typically come early to help set up, do camp improvement projects, cook together, and enjoy creating a week of magic. There is plenty of time to relax, visit and just have fun. The men make MMNG what it is!

Men attending MMNG are friendly and new attendees are always surprised as to how welcoming and inclusive everyone is. The event is small enough to get to know people as they get to know you. Expect to mix and socialize with fun guys of all types, ages and backgrounds. Most attendees are from the Midwest, but participants have come from many other states as well as Canada, Australia, the U.K., Ireland and Germany. Some men belong to organized naturist groups or regularly visit nude beaches and such. For many, MMNG may be their first nude event, in which case MMNG is a great introduction to the naturist lifestyle!

Something Old, Something New

Every year, MMNG is a new experience based upon what has worked, or not worked, in previous years. If you have attended or heard about other male naturist gatherings, such as those sponsored by GNI and IMEN, you will find MMNG to be much smaller with a relaxed pace and atmosphere. We do our best to schedule plenty of events for those who wish to keep busy while remembering that we all want a break from the busy world we've left behind.

This year's Planning Committee is doing its best to maintain the energy and feel of previous events while leaving plenty of time for attendees to make their own fun. MMNG attendees are great at making fun happen!

New for 2021: \$30 registration discount for attendees who are ages 21 – 35.

Workshops, Socials and Movie Nights

Every year, MMNG attendees offer their experience by conducting workshops and leading activities. These change from year to year. If you want to lead a workshop, activity or Social event, please complete the form on the last page of this packet. Spiritual and nature-based activities are just as welcomed as

those promoting bawdy brotherhood! Events can be scheduled after you arrive at camp, or you can be more proactive by contacting our activities coordinator, David, at david_7f@hotmail.com

Cocktail Socials, often sponsored by naturist groups and clubs, are scheduled each day and we welcome any new group interested in sponsoring one. MMNG has a budget to help with expenses. Also, if you may be interested in coordinating Movie Nights, please let us know. Just send an email to midwestmalenaturistgathering@gmail.com and we will connect you with the appropriate person.

Pet / Service Animal Policy

The only animals allowed at MMNG are authorized, trained and vaccinated Service Animals that provide support to the attendee on a full-time bases (as defined in the Americans with Disabilities Act). Service Animals must be under the control of the handler at all times and must be harnessed, leashed or tethered at all times. Attendees planning on bringing a Service Animal should notify MMNG via email, or send a message through the Contact Us tab on the website, prior to July 15th to register their Service Animal.

If an attendee arrives at MMNG with any other animal, the attendee will be directed to camp in a non-populated area of the campground where the animal must remain, or, remove / board the animal as a condition of attendance.

Food and drink

For 2021, *meal service will be limited to one catered evening meal on Wednesday through Saturday.*

Iced tea, lemonade and ice water will be available at all times. Attendees provide their own soft drinks and alcoholic beverages.

Breakfast and lunch meals will be the responsibility of attendees to arrange on their own, or in collaboration with other attendees. Attendees will have access to refrigerators in the Dining Hall for personal food storage only. The Kitchen area is closed to all meal preparation.

Please note that during the Pre-Gathering, *no meals are provided*. Plan ahead and bring extra food for these days. There are grocery stores in Tonganoxie and Leavenworth.

Groups hosting Cocktail Socials may supply alcoholic and non-alcoholic beverages, and snacks, but quantities will be limited.

Bags of ice are available on-site for purchase; however, availability may be limited at times between deliveries.

Lodging options

There are three housing options: Cabins, Tents and personal RV / Camper. The basic fee to attend MMNG is the same for those staying in cabins or tents (which you must bring with you).

Cabins

About one-third of MMNG attendees stay in the Cabins. The Cabins exude a rustic ambiance and are generally shared with six-to-eight other men. Attendees must provide their own bedding / sleeping bag and pillow. If you are a light sleeper, earplugs are recommended. Cabins are wired for 1-2 small electrical appliances only. There is no indoor plumbing, but there are outhouses nearby, and the restroom / shower house is a short walk away. One Cabin is designated for attendees with special mobility needs.

Tenting

Gaea is a glorious place for tent camping with many ideal sites, most featuring a nice mix of sun and shade. Tent sites are diverse – some shady, some sunny, some level, some not as much – but there is plenty of room to spread out either in areas with neighbors close by or in private spots tucked away in the woods.

Please note: Electricity, running water, showers, flush toilets and outhouses are available at Gaea in various locations, so you are not expected to live like cave men! While attendees should not come expecting plush facilities, we do have all the basics covered.

RVs and Campers Impact Fee

Camp Gaea charges an "impact fee" of \$20.00 for certain RVs. This fee is to help offset the cost of maintaining the roads in the camp. This fee is charged each time you enter the camp. If you come in early (before Sunday) just indicate on your Gaea registration form that you are with MMNG and they will know that we are collecting the fee for them. If you leave with your RV and come back then you owe another fee. Vehicles exempt from the impact fee are cars, pickups (without camper shells), and vans. Any vehicle parked in the RV parking area pays the impact fee. Only one fee per vehicle is charged so RVs with multiple occupants only pay one fee.

RV and Campers Parking

Small RVs may be parked in the tenting areas south of the main ridge if weather and ground conditions permit. It's part of our responsibility to Camp Gaea to avoid rutting or tearing up the grass. There is no electricity in these areas.

There is a graveled area south of the pavilion where limited 15-amp and 30-amp hookups are available on a first-reserved basis. If you register for electrical usage and no outlets are available, we will contact you and either refund your registration fees in full or the electrical access fee (as you so desire). This area has no shade and no water or sewer hookups and there is no dump station on site. This space has been divided up to accommodate as many RVs as possible and the width of each space is limited. Next to the pavilion the spaces are 17½ ft. wide. If you have no slide-outs, you have room for most awnings. A slide-out narrows your space accordingly. On the south side the spaces are a bit wider. Units are parked two deep on both sides so plan on at least a 25' extension cord being needed. RVs are assigned parking spots by the RV Coordinator. Check with him before entering the RV area.

Separate from this RV Area, there are two 30-amp outlets on the lower level with more room. These are closer to dining but further from most of the activities.

Under most circumstances you will *not* be able to move your RV until the event ends (Sunday 12:00 PM) due to tight quarters. Expect an email from the RV Coordinator after you register asking for details on your RV, including your expected departure time, so the RV Coordinator can plan accordingly. If you have *any* questions regarding fee structure, electrical access, impact fees or where you can set up camp with an RV please email Franz at MMMGRVCoordinator@gmail.com or look him up on site.

Powering up the fun!

The designated RV area has a limited number of 30-amp and standard 15-amp electrical hookups. RVs parked in the RV area are charged for electricity based on usage. 15-amp hookups with no air conditioner use are \$20. 30-amp hookups are \$35 with only one air conditioner permitted. MMNG coordinators will

assign these outlets upon arrival and have final say if questions arise. Remember to bring heavy-duty extension cords of sufficient length, as these are not provided.

As Camp Gaea has a limited capacity to handle non-essential electrical needs, the use of electricity is limited. Cabins and the main buildings have basic electricity available. There are also limited electrical connections accessible in the main tenting area. These sites are available on a first-registered, first-served basis. These electrical connections are for *lights only*, which will be strictly monitored and event coordinators have final say on electrical usage.

MMNG Electrical Usage Fees

\$0	Cabins (have electricity available), RV & Tents with no electrical plug-in
\$0	15-amp Ridge Tenting Area (lights only)
\$20	15-amp plug-in for RVs with NO air conditioners allowed
\$35	30-amp RV electrical plug-in for RVs with only 1 A/C unit allowed

Electrical outlets will be available on the north side of the Pavilion for charging cell phones and other devices.

Electric generators are not allowed in any common areas (cabins, tenting or RV areas). If you plan to use a generator, be prepared to camp in a remote location that will be of sufficient distance from other common areas so as not to disturb other attendees. Check with MMNG staff for a designated area prior to setting up your camp.

MMNG encourages attendees to come up with creative, self-sustaining ways of lighting their camp homes. There are many types of solar lights and units available to provide decoration, lighting and entertainment. Some attendees charge large batteries during the day to use at camp at night.

Quiet times: Respecting fellow campers

MMNG is not by design a quiet event, but we all should be considerate of others. Per our agreement with Camp Gaea, loud music and noise is not allowed after 11:00 PM on weekdays and 12 Midnight on weekends. Sponsored events will end by these times. Each attendee is asked to respect each other's sleep patterns and sound tolerances. Some areas and cabins will be designated as quiet spaces, but everyone should be careful to avoid loud conversations, laughter, music, etc., during late evening and early morning hours.

Photography

Some men may be okay being photographed in the buff, while others may be hesitant. Every attendee is asked to state their preference regarding being photographed; nametags will indicate this preference.

Please be mindful of an attendee's photography preference before taking photos. Attendees can change their photo status after arrival at camp. *The use of video cameras, as well the use of the video function of cell phones, is not allowed at MMNG.*

The use of a camera at MMNG is a privilege and can be revoked or limited by MMNG staff at any time. Photographers are expected to agree that the

images taken are for personal use and will not be used or displayed in a public venue or publication without specific, written permission from those pictured. We are happy to report that, in the past, attendees have been very respectful of these guidelines.

Note regarding photo sharing: An online photo album and comment-sharing medium will be created in the "MMNG2021" Yahoo Group for 2021 attendees only. Yahoo has changed their groups dramatically; photos and messages are no longer archived. The only way to see posts is when they pop up in your email, so save the emails to a folder to look back on. Sharing photos with group members is allowed and encouraged.

Come early, stay late!

The MMNG Pre-Gathering, from Sunday at 12 Noon through Tuesday is a popular option; please see the registration page for pricing. Should you decide to attend the Pre-Gathering, here are some things to keep in mind:

- If you arrive before Sunday, or wish to stay after MMNG ends, check-in and pay at the registration building.
- Another group occupies the main camping ridge, including the pavilion, RV parking and the grassy area south to the Elysium access road, until 12 Noon on Sunday. Respecting their privacy, please refrain from setting up camp or walking through these areas until after 12 Noon on Sunday. Other areas are open for camping during this weekend.
- There is a designated spot (Elysium camping area, south of the access road) for Saturday night MMNG arrivals.
- You can view the Gaea Retreat Center website and calendar of events at www.gaearetreat.org Many wonderful and interesting people camp at Gaea each year. Coming early and staying late is a great way to experience Gaea outside of the MMNG event.

Register early!

The registration form is included in this packet.

Registrations are capped at 200. If a sell-out occurs, the Registrar will contact you regarding your options: full refund, or, placement on a waiting list. *No registrations will be accepted after July 15 or at the gate.* Registrations will not be accepted without full payment: check by mail, or, online credit card charge via PayPal (\$10 service fee for this option). Confirmation letters / emails will be sent shortly after a registration has been accepted. All registrants will receive a final information packet with detailed directions and camp information in mid- to late-May.

MMNG is a non-profit endeavor. Fees are set to cover expected / planned costs, including a very modest host fee. In the past, excess funds raised are utilized for Gaea improvements, as determined by the MMNG Planning Committee. For example, the stairs from the main level to the ridge were funded by MMNG.

Here is the MMNG 2020 registration fee schedule (no change from 2019).

Regular Registration Fees		
Paying with:	check or money order	credit card (PayPal)
Arriving Sunday (noon or after):	\$260	\$270
Arriving Monday:	\$250	\$260
Arriving Tuesday:	\$235	\$245
Arriving Wed., Thur., Fri., or Sat:	\$220	\$230

Impact and Electrical Usage fees, as described earlier, are in addition to the regular registration fee. Note that MMNG does not offer a one-night or day pass rate.

Online registration (www.mmng.org) is strongly encouraged. It is fine to register online and mail a check if you prefer not to use the PayPal option.

Flying in?

While MMNG does not provide transportation to / from Kansas City airport, here are some options to get you to camp:

- Rent a vehicle or hire a ride share car (reduce costs by sharing with another)
- Catch a ride with a volunteer driver who is heading up to Gaea

MMNG will distribute a list of attendees who plan to fly in so you can arrange to share rental cars or rides. MMNG will also organize volunteer pick-up and drop-off drivers (recommended driver gratuity is \$25 each way). Please indicate on your registration form if you wish to be included on this list.

Fun and friendly vendors

If you would like to sell merchandise or services at MMNG, please complete and submit the Vendor form (after the application) by email. Vendors must obtain approval from the MMNG Coordinator prior to the event. Vendors are expected to register and pay full registration fees. MMNG does not charge a vendor fee; however, it is expected that each vendor make an appropriate donation of items / services to be used at MMNG activities or the MMNG Auction. MMNG retains the right to limit selling to specified areas and times. MMNG also retains the right to deny or restrict sales and vendors as needed.

Nudity is required

Gaea Retreat Center allows nudity in limited areas (the ridge and the beach) most of the year. Prior to 8:00 AM on Monday, when MMNG has exclusive use of the camp, and, after 12 Noon the following Sunday, nudity is limited to those areas.

Starting at 8:00 AM on Monday, MMNG attendees are welcome to use the entire facility nude or clothed.

Beginning Wednesday, when MMNG formally begins, complete nudity is *mandatory*, unless weather or safety issues require clothing. MMNG is a nudist, not a clothing-optional, event.

Sexual expression

MMNG is intended to be a naturist event for men to enjoy each other's company in a natural and non-judgmental environment. The level of sexual interest will vary widely among attendees. MMNG organizers do not encourage, or prohibit, attendees engaging in consensual sexual behavior within reasonable guidelines, which include:

- A zero-tolerance policy on sexual harassment
- Respectfully adhering to the personal boundaries of others
- An expectation that attendees will utilize discretion and common sense
- An understanding that each attendee of MMNG is an adult and responsible for making appropriate decisions regarding sexual activities.

Call for volunteers

Volunteers staff all MMNG operations. MMNG 2020 is in need of volunteer helpers in these areas:

- Decorations
- Games set-up and organizing
- Set up and serve Monday evening BBQ meal
- Camp Medic assistant
- DJ for events and dances

Please consider contributing your time and energy to make MMNG 2020 run as smoothly as possible. It's a great way to meet your fellow campers and have fun at the same time!

Now for the fine print...

- *Cancellation policy:* Individual notice of cancellation prior to May 1st will receive a full refund. Cancellation received May 1 through July 15 will be refunded all fees minus a \$30 service charge. There will be no refunds after July 15th (including no-shows). Helping Hands

To keep event costs low we need all MMNG attendees to pitch in to make this festival what it is: a community run event. We need **at least 2 hours** of volunteer help per attendee, and the more hours worked the merrier! Gate security on Monday and Tuesday is important and key to getting our event up and running each year. Volunteering is fun and a great way to get to know other attendees. There will be signup sheets at the registration table in the Dining Hall when you arrive. Men at the entrance gate can direct you there when you arrive.
